

# BLANC DE NOIRS

## Characteristics

**Harvest year:** 2018

**Alcohol:** 10%

**Production run:** 600 bottles

**Available:** only through our online store from 01/07/2020

## Description

This fresh white wine is made exclusively from red grapes. The white juice of the red Cabernet Dorsa grape creates this unique Blanc de Noirs. This gives the wine an intense colour. The nose carries aromas of white stone fruit and small red berries, leaving behind a clear and spicy tone after swirling. This wine's low alcohol content provides a soft, fresh bouquet and a dry aftertaste.

**Food pairing:** The ideal wine to go with your summer salads, best enjoyed fresh on the terrace.

## Technical data

**Grape:** 100% Cabernet Dorsa

**Rootstock:** Couderc

**Soil:** Sandy loam with a substrate of marine sand deposits with glauconite and fossils.

**Vineyard:** Tasting vineyard

**Ageing potential:** Drink now.
